## *Early payment of NewWorld Environmental Infrastructure, L. P.'s senior loan facility to OneRoof*

OneRoof Energy Inc. ("OneRoof"), today, paid early the principal, accrued interest and early prepayment fees on the outstanding senior credit facility that was provided by **NewWorld Environmental Infrastructure, L. P.** in May 2015. OneRoof paid the loan from the proceeds of refinancing its sponsor equity interest in a 12.1 MW residential solar portfolio that was sold to Greenbacker Residential Solar, LLC for an aggregate purchase price of \$19,750,000.

OneRoof is a residential solar services company that provides its channel partners with a suite of vertically integrated sales, installation, financing and customer service functions. The firm is a wholly-owned subsidiary of OneRoof Energy Group, Inc. that is publicly-traded ([ON.V](#)).
